## About Sekolah Misi Bagi Bangsa – Batam

### Sekilas Pandang tentang Sekolah Misi Bagi Bangsa – Batam

#### HISTORY

**Sekolah Misi Bagi Bangsa (SMBB)** was established in 2009 in the informal residential area of Sei Binti Tanjung Uncang, Batam, Kepulauan Riau Indonesia, under the umbrella of Lima Roti dan Dua Ikan Foundation (5r2i Foundation). The school was established to facilitate children from disadvantaged families, most of whom have parents working as labourers. As the distance between their home and the existing schools was quite far, transportation expense became expensive.

The presence of SMBB can help the community in the area, especially the children, so that they are able to receive quality education to achieve a better future. In 2009, SMBB started operating with opening a Kindergarten (TK). In 2010, SMBB opened Elementary School (SD) as a continuation of kindergarten. Six years later SMBB opened a Junior High School (SMP) to facilitate the education of children who have graduated from elementary school. Since 2014, SMBB has been under the umbrella of Batavia Prosperindo Peduli Foundation (BP Peduli Foundation), a foundation focusing in the education of the nation's children.

In 2016 together with other contributors the foundation built a new school building for SMBB to enable students to study in a healthy and conducive environment. This new building was inaugurated by the Mayor of Batam on April 30, 2016.

#### SEJARAH

**Sekolah Misi Bagi Bangsa (SMBB)** didirikan pada tahun 2009 di daerah pemukiman liar Sei Binti Tanjung Uncang, Batam, Kepulauan Riau Indonesia, dibawah naungan Yayasan Lima Roti dan Dua Ikan (Yayasan 5r2i). Sekolah tersebut diperuntukan bagi anak-anak yang berasal dari keluarga kurang mampu, yang kebanyakan orang tua mereka bekerja sebagai buruh di galangan kapal. Jarak antara sekolah di sekitar rumah liar tersebut sangat jauh, sehingga diperlukan biaya transportasi yang lumayan mahal.

Kehadiran sekolah Misi Bagi Bangsa bisa membantu masyarakat di sekitar daerah pemukiman liar tersebut khususnya anak-anak, supaya mereka mendapatkan pendidikan yang berkualitas untuk menggapai masa depan yang lebih baik. Di tahun 2009, SMBB mulai beroperasi dengan membuka Taman Kanak-Kanak (TK). Di tahun 2010, SMBB membuka Sekolah Dasar (SD) sebagai jenjang Pendidikan lanjutan dari TK. Enam tahun kemudian SMBB membuka Sekolah Menengah Pertama (SMP) untuk memfasilitasi pendidikan anak-anak yang telah lulus SD. Sejak tahun 2014, Sekolah Misi bagi Bangsa dinaungi oleh Yayasan Batavia Prosperindo Peduli (Yayasan BP. Peduli), sebuah yayasan sosial yang memiliki kepedulian terhadap pendidikan anak-anak.

Tahun 2016, Yayasan BP. Peduli bersama para donator membangun gedung sekolah baru untuk Sekolah Misi Bagi Bangsa, agar anak-anak dapat belajar di lingkungan yang kondusif dan sehat. Gedung sekolah tersebut bertempat di Kompleks Tunas Regency Sei Binti Sagulung dan telah diresmikan oleh Walikota Batam pada tanggal 30 April 2016.

## Kindergarten and Primary School Principal Report

Laporan Kepala Sekolah TK & SD

Greetings,

Thanks to God Almighty who has helped Misi Bagi Bangsa School's learning activities during the Covid-19 Pandemic. Learning online hinders cognitive development because good learning is not only a transfer of knowledge but also a reciprocal interaction between students and teachers to transfer values, good behaviour and knowledge.

The school continues to pay attention to the development of students by making visits, designing interesting educational content, and collaborating between the school and students' parents to support the implementation of online learning.

Thank you to everyone who has always supported us. Hopefully, the cooperation that has been established between SMBB, BP Peduli Foundation, and donors will continue to intertwine for the future of the nation's children.

We pray that God will be with us always.

Thank you.

Jeugelin S. Kowaas, S.Th, M.Pd

Sambutan,

Syukur kepada Tuhan Sang Khalik yang telah menolong eksistensi dan pelaksanaan kegiatan pembelajaran Sekolah Misi Bagi Bangsa selama masa Pandemi Covid-19, walaupun dampak pembelajaran daring terhadap perkembangan kognitif peserta didik secara langsung mengalami hambatan, karena pada dasarnya proses pembelajaran tidak hanya Transfer of Knowledge saja tetapi harus ada interaksi timbal balik antara peserta didik dan guru dalam proses pembelajaran yang dinamis untuk mentransfer nilai-nilai ke peserta didik supaya dapat melakukan perubahan tingkah laku maupun pengetahuan.

Pihak sekolah tetap mengupayakan untuk terus memperhatikan perkembangan peserta didik melalui kunjungan, guru-guru yang selalu berinovasi mendesain media pendidikan teknologi yang semenarik mungkin, serta kolaborasi antara pihak sekolah dan orang tua peserta didik untuk bersama-sama mendukung pelaksanaan pembelajaran daring.

Terima kasih untuk semua pihak yang selalu mendukung kami sampai saat ini. Kiranya kerjasama yang sudah terjalin antara Sekolah Misi Bagi Bangsa, Yayasan BP. Peduli dan donatur akan terus terjalin demi masa depan anak-anak bangsa.

Doa kami kiranya penyertaan yang sempurna dari Tuhan Semesta bersama kita senantiasa.

Terima kasih.

Jeugelin S. Kowaas, S.Th, M.Pd

# Junior High School Principal Report

## Laporan Kepala Sekolah SMP

The limited intensity of learning during the Covid-19 pandemic in the second year has greatly affected the activities of academics and educational staff at MBB School. One of the impacts is the loss of learning. However, this challenging situation did not discourage the leaders, teachers and staffs. Instead, we joined hands to close the ranks to continue to give the best for the students who had been entrusted to the MBB school. Every teacher is encouraged to increase teaching creativity in the digital system, the school strives to continue to urge parents to monitor and support their children to participate in online learning at home, and even other efforts through teacher visited to students' homes to give moral support.

Praise be to the Lord who has always given us the strength and ability to fight for the intellectual development of the generation He has entrusted to us.

Especially thanks to the BP Peduli foundation, donors and volunteers who continue to support the education of all students. May we all continue to work together to improve students who excel in attitude, knowledge and skills.

God Bless.

Regards  
Githa Marcellly, M.Pd

Keterbatasan intensitas pembelajaran selama masa pandemi Covid-19 di tahun kedua ini sangat berpengaruh pada aktivitas akademika dan tenaga pendidikan di lingkungan Sekolah Misi Bagi Bangsa, salah satu dampak yang terjadi yakni learning-loss. Namun situasi yang penuh tantangan ini tidak membuat pimpinan, para guru dan karyawan patah semangat, justru kami semakin bergandeng tangan merapatkan barisan untuk terus memberi yang terbaik bagi anak-anak didik yang telah dititipkan di Sekolah Misi Bagi Bangsa. Setiap guru dipacu untuk meningkatkan kreatifitas mengajar dalam sistem digital, pihak sekolah berupaya untuk terus mengimbau orang tua memantau dan mendukung anak-anaknya mengikuti pembelajaran daring/online di rumah, bahkan upaya lainnya melalui kunjungan para guru ke rumah siswa untuk memberi dukungan moril.

Puji syukur kepada Tuhan yang selalu memberikan kami kekuatan dan kesanggupan untuk berjuang demi mencerdaskan generasi yang dititipkan-Nya.

Teristimewa ungkapan terima kasih kepada Yayasan BP Peduli, donatur dan volunteer yang terus mendukung pendidikan seluruh siswa-siswi. Kiranya kita semua tetap bersinergi demi meningkatkan siswa-siswi yang unggul dalam sikap, pengetahuan dan keterampilan.

Tuhan Memberkati.

Salam  
Githa Marcellly, M.Pd
