Sekolah Misi Bagi Bangsa (SMBB) didirikan pada tahun 2009 di daerah pemukiman liar Sei Binti Tanjung Uncang, Batam Kepulauan Riau Indonesia, dibawah naungan Yayasan Lima Roti dan Dua Ikan (Yayasan 5r2i). Sekolah tersebut diperuntukan bagi anak-anak yang berasal dari keluarga kurang mampu, yang kebanyakan orang tua mereka bekerja sebagai buruh di galangan kapal. Jarak antara rumah liar disekitar sekolah tersebut sangat jauh, sehingga diperlukan biaya transportasi yang lumayan mahal. Kehadiran sekolah Misi Bagi Bangsa bisa membantu masyarakat di sekitar daerah pemukiman liar tersebut khususnya anak-anak, supaya mereka mendapatkan pendidikan yang berkualitas untuk menggapai masa depan yang lebih baik. Di tahun 2009, Sekolah Misi Bagi Bangsa baru membuka Taman Kanak-Kanak (TK), karena meningkatnya kebutuhan, pada tahun berikutnya dibuka Sekolah Dasar (SD) dan pada tahun 2016 Sekolah Menengah Pertama (SMP) juga dibuka.

Sejarah

Sekolah Misi Bagi Bangsa (SMBB) was established in 2009 in the informal residential area of Sei Binti Tanjung Uncang, Batam Kepulauan Riau Indonesia, under the umbrella of Lima Roti dan Dua Ikan Foundation (5r2i Foundation). The school was established to facilitate children from disadvantaged families, most of whom have parents working as laborers. As the distance between their homes and the then-existing school was quite far, transportation became expensive. The presence of SMBB can help the community in the area, especially the children so that they can receive quality education to achieve a better future. During its first year (2009), SMBB opened a Kindergarten, due to the increasing needs, the following year SMBB opened its Primary School, then in 2016 the Secondary School was also officiated.

History

Sejak tahun 2014, Sekolah Misi bagi Bangsa dinaungi oleh Yayasan Batavia Prosperindo Peduli (Yayasan BP Peduli), sebuah yayasan sosial yang memiliki kepedulian terhadap pendidikan anak-anak. Tahun 2016, Yayasan BP Peduli bersama para donatur membangun gedung sekolah baru untuk Sekolah Misi Bagi Bangsa, agar anak-anak dapat belajar di lingkungan yang kondusif dan sehat. Gedung sekolah tersebut bertempat di Kompleks Tunas Regency Sei Binti Sagulung dan telah diresmikan oleh Walikota Batam pada tanggal 30 April 2016.

Since 2014, SMBB has been under the umbrella of Batavia Prosperindo Peduli Foundation (BP Peduli Foundation), a foundation focusing on the education of the nation's children. In 2016, together with other contributors, the foundation built a new school building for SMBB to enable students to study in a healthy and conducive environment. This new building was inaugurated by the Mayor of Batam on April 30, 2016.

Laporan Kepala Sekolah

Principal Report

— Jeugelin S Kowaas, S. Th, M. Pd
Kepala Sekolah TK dan SD

Tahun 2022 adalah tahun yang berat untuk dunia pendidikan. Covid 19 berdampak buruk pada sistem pembelajaran. Ada banyak hal yang ketinggalan ketika pandemi covid 19. Dibidang akademik menurun sementara dari segi karakter merosot. Ini tantangan baru untuk guru-guru dan pelaksana pendidikan.

Perlu hikmat dan kebijaksanaan untuk menyikapi situasi tersebut. Perlu kegigihan dan kesabaran menata kembali, agar situasi menjadi kondusif.

Syukur kepada Tuhan Yang Maha Esa karena oleh pertolonganNya, Sekolah Misi Bagi Bangsa boleh melewati situasi yang sulit ini. Dan kami berterima kasih kepada Yayasan Batavia Prosperindo Peduli, donatur dan semua pihak yang telah mendukung baik doa dan dana sehingga Sekolah Misi Bagi Bangsa bisa bertahan sampai saat ini.

Semoga kerjasama yang baik ini tetap terjalin untuk persiapkan anak-anak generasi penerus bangsa.

Tuhan Memberkati

The year 2022 was a tough year for the world of education. Covid 19 has been a negative impact on the learning system. Many things were left behind during the covid 19 pandemic. In the academic field, it declined, while in terms of character, it slumped. This is a new challenge for teachers and educators

It takes wisdom to deal with the situation. It takes persistence and patience to rebuild, so that the situation becomes conducive.

Thanks be to God Almighty because, with His help, the MBB school has been able to go through this difficult situation. And we thank the Batavia Prosperindo Peduli Foundation, donors, and all parties who have supported both prayer and funds so that the MBB School can survive until this day.

Hopefully, this good cooperation will continue to be established to prepare the next generation of children of the nation.

God bless

— Githa Marcellly, M. Pd
Kepala Sekolah SMP

Puji dan syukur kami panjatkan kepada Tuhan yang senantiasa melimpahkan rahmat dan kasih setia-Nya bagi Sekolah Misi Bagi Bangsa sehingga dapat memasuki tahun pembelajaran yang baru

Tahun Ajaran 2022 merupakan titik balik perjuangan para tenaga pendidik Sekolah Misi Bagi Bangsa untuk menata kembali karakter moral siswa akibat pasca pandemi dan untuk menyiapkan siswa yang cerdas serta terampil demi memenuhi tuntutan zaman sesuai kurikulum nasional, bahkan mampu melaksanakan pembelajaran bermakna dan menarik dengan menguasai teknologi dalam kegiatan belajar mengajar pada era digital ini.

Kehadiran Sekolah Misi Bagi Bangsa yakni menciptakan siswa yang berkarakter unggul sesuai Profil Pelajar Pancasila yakni beriman, bertakwa kepada Tuhan Yang Maha Esa dan berakhhlak mulia, berbhinekaan global, bergotong royong, mandiri, bernalar kritis dan kreatif. Profil Pelajar Pancasila perlu diintegrasikan dalam segala aktivitas pembelajaran, baik pembelajaran intrakurikuler, maupun ekstrakurikuler. Hal tersebut tidak akan terealisasi tanpa kerja keras dan kerjasama seluruh pelaku pendidik.

Sekolah Misi Bagi Bangsa memberikan apresiasi yang sebesar-besarnya atas dukungan seluruh stakeholder, teramat khusus perhatian dan kontribusi Yayasan Batavia Prosperindo Peduli, para donatur serta volunter yang selama ini terus berkomitmen untuk kemajuan pendidikan Sekolah Misi Bagi Bangsa. Kami berdoa kiranya anugerah-Nya menyertai kita semua.
 Tuhan Yesus memberkati

Praise and gratitude we present to God who always bestows His mercy and faithful love to MBB School so that we can enter a new year of learning.

The 2022 Academic Year is a turning point in the struggle of the MBB School's educators to rebuild the moral character of students as a result of the post-pandemic and to prepare smart and skilled students to meet the demands of the times according to the national curriculum, even able to carry out meaningful and interesting learning by mastering technology in teaching and learning activities in this digital era.

The presence of MBB School is to create students with excellent character in accordance with the Pancasila Student Profile namely: to have faith, piety to God Almighty and noble, global diversity, mutual cooperation, independent, critical and creative reasoning. The Pancasila Student Profile needs to be integrated into all learning activities, both intro-curricular and extra-curricular learning. This will not be realized without the hard work and cooperation of all educators.

The MBB School gives its greatest appreciation for the support of all stakeholders, especially the attention and contribution of the Batavia Prosperindo Peduli Foundation, donors and volunteers who have so far been committed to the advancement of MBB School's education. We pray that His grace be with us all. Jesus bless you
